

**Tony Jarrell Farm, PO Box 578, Hampton, SC 29924** has applied to the South Carolina Department of Health and Environmental Control for a Groundwater Withdrawal Permit, under the Groundwater Use and Reporting Act for two (2) existing agricultural irrigation wells. The first well is located approximately N 32.859256° W 81.242779° off Murdaugh Street, in Hampton County, S.C. This well, along with three (3) other existing wells in the general vicinity, propose a combined maximum groundwater withdrawal of 40 million gallons per year, which has been developed from calculated water use requirements for agricultural irrigation demand. The second well is located approximately N 32.829861° W 81.103086° off Pocotaligo Road, in Hampton County, S.C. This well alone proposes a maximum groundwater withdrawal of 44 million gallons per year based on calculated water use requirements for agricultural irrigation demand on approximately 60 acres. Additional information concerning this application may be obtained from Joshua Zodarecky by calling (803) 898-3559 or e-mail at [zodarejw@dhec.sc.gov](mailto:zodarejw@dhec.sc.gov). SCDHEC invites and will receive comments on the application until **July 9, 2018**. Please submit comments to **SCDHEC/Bureau of Water, 2600 Bull Street, Columbia, SC 29201, attention: Joshua Zodarecky**. Interested parties wishing to be notified of the final permit decision must make comment on the application and/or make request to receive notice of the final decision and must provide the **SCDHEC** with a correct name and mailing address.
